NOTE.—Plums include greengages, damsons, mirabelles and dried, crystallized, or glacé apricots. Tinned and bottled apricots in syrup or water, and apricot pulp, are not liable to duty as preserved plums, but when added sugar is present, as in the case of syrup, they are chargeable under the heading of sugar (*which see*).

Dutiable fruit imported in syrup or water is to be assessed with duty at 7s. the cwt. on the weight of fruit without squeezing out the contained syrup or water. The syrup in such cases is separately charged with its proper duty, unless the merchant elects to pay duty on the whole weight at the fruit rate.

The above rates of drawback are allowed on tobacco, &c., containing 14 per cent of moisture, a proportionate increase or deduction being made if the moisture is less or more than 14 per cent.

A deduction is made from the drawback for every lb. of inorganic matter in excess of 22 per cent (calculated on the tobacco, &c., exclusive of water), but the Commissioners of Customs may allow drawback at the full rate on tobacco (including cigars and cigarettes), and shorts, stalks, or other refuse of tobacco not of the fineness of snuff, if they are satisfied that there has been no artificial increase of inorganic matter during manufacture.

The following are the minimum weights for drawback tobacco, viz.—

*British Manufactured Tobacco.*

- (i) When removed direct from the premises of a licensed manufacturer—
  - (a) for exportation as merchandise to places other than the Channel Islands—
    - Cigars and cigarettes. . . . . 12 lb. net.
    - Other manufactured tobacco. . . . . 20 “

*Stalks, Shorts, or other Refuse of British Manufactured Tobacco, including Offal Snuff.*

- (i) When deposited in a King's warehouse for abandonment, or in an approved bonded warehouse for the manufacture of sheepwash, or for exportation as merchandise: in packages of not less than 50 lb. and not more than 100 lb. net.
- (ii) But when exported direct from the premises of a licensed manufacturer, or deposited in an approved bonded warehouse for exportation, the maximum quantity per package may under certain conditions be extended up to a limit not exceeding 1,400 lb.

NOTE.—Tobacco of any description for exportation to the Channel Islands must be in packages of not less than 80 lbs. gross.

NOTE.—Goods not prohibited to be imported into or used in Great Britain or Ireland, composed of any article liable to duty as a part or ingredient thereof, shall be chargeable with the full duty payable on such article, or if composed of more than one article liable to duty, then with the full duty payable on the article charged with the highest rate of duty. (See Customs Tariff Act, 1876.)

Where any manufactured or prepared goods contain, as a part or ingredient thereof, any article liable to any duty of Customs, duty shall be charged in respect of such quantity of the article as shall appear to the satisfaction of the Treasury to be used in the manufacture or preparation of the goods, and in the case of goods so containing more than one such article, shall be charged in a similar manner on each article liable to duty at the rates of duty respectively applicable thereto, unless the Treasury shall be of opinion that it is necessary for the protection of the revenue that duty should be charged in accordance with the Customs Tariff Act, 1876.

Any rebate which can be allowed by law on any article when separately charged, shall be allowed in charging goods in respect of the quantity of that article used in the manufacture or preparation of the goods.

As respects the first levying or repealing of any duty of Customs, the time at which the importation of any goods shall be deemed to have had effect shall be the time at which the entry of the goods under the Customs Act is delivered, instead of the time mentioned in Section 40 of the Customs Consolidation Act, 1876. (See Finance Act, 1901.)

13. Upon completing the packing of goods for drawback of the duty the packages shall be secured and sealed by an officer of Customs, and be forthwith conveyed to the place of shipment by a carrier licensed under the Customs Acts, there to be shipped in the presence of the proper officer; or, if not so forthwith conveyed and shipped, the packages shall be removed to some place of security approved by the collector.

14. For the purposes of this order in council goods cleared from the warehouse for home consumption shall be deemed to have been duty-paid on importation.

## UNITED KINGDOM.

Order in Council dated 1st August, 1908, revoking the Prohibition Orders in regard to Sugar.

*(General Customs Order No. 23, of 8th August, 1908.)*

Whereas by the Sugar Convention Act, 1903, after reciting that by Article VII. of the convention signed on the fifth day of March, 1902, in relation to sugar, provision was made for the establishment of a permanent commission charged with watching the execution of the provisions of the convention, it is enacted that where it is reported by the permanent commission that any direct or indirect bounty is granted in any foreign country on the production or export of sugars, His Majesty may, by order in council, make a prohibition order, that is to say, an order prohibiting sugar from that foreign country to be imported or brought into the United Kingdom, subject to any provision which might be made by parliament in view of such prohibition to impose a special duty on such sugar in accordance with the convention, and it was also enacted that His Majesty might, similarly, revoke, alter, and add to any such order.

And whereas it was provided by Article X. of the said convention that the convention should come into force from the first day of September, 1903, and should remain in force for five years from that date.

And whereas upon reports made by the said permanent commission His Majesty by an order in council dated the eleventh day of August, 1903, prohibited the importation into the United Kingdom of sugar from Denmark, Russia and the Argentine Republic, and by another order in council dated the twenty-seventh day of March, 1905, prohibited the importation into the United Kingdom of sugar from Spain.

And whereas by an additional Act of the said convention signed on the twenty-eighth day of August, 1907, and duly ratified, it has been agreed to maintain the said convention in force for a fresh period of five years commencing on the first day of

September, 1908, and it is provided that Great Britain shall be relieved after the said first day of September, 1908, from the obligation under the said convention to impose a special duty on sugar imported from any foreign country or to prohibit the importation of bounty-fed sugar.

Now, therefore, His Majesty, in exercise of the powers vested in him by the said recited Act, by and with the advice of his Privy Council, is pleased to order, and it is hereby ordered, that as from the first day of September, 1908, the two recited orders in council, dated respectively the eleventh day of August, 1903, and the twenty-seventh day of March, 1905, shall be no longer in force, and the said orders are as from that day hereby revoked.
